# B 240i HOUSING

**WARNING**  
 Read and follow all safety precautions in the owners manual. Failure to follow instructions could result in serious injury to user. Tip contact may cause the guide bar to move suddenly forward and backwards, which may cause serious injury to user. No hands are always to be used in operation of the chainsaw. Use only identical replacement bar and chain components manufactured by Husqvarna. For use only with Husqvarna IS i-series batteries. See instruction manual for additional battery packs.

**AVERTISSEMENT**  
 Consulter et respecter les consignes de sécurité contenues dans le manuel de l'utilisateur. Le non-respect de ces instructions peut entraîner de graves blessures chez l'utilisateur. Tout contact avec le nez peut entraîner des mouvements brusques du guide chaîne vers le haut ou vers le bas susceptibles de provoquer des blessures graves. L'utilisateur doit toujours utiliser ses deux mains lorsqu'il fait fonctionner le tronçonneau. Utiliser uniquement des pièces de rechange de guide chaîne et de la chaîne identiques ou ses équivalents par Husqvarna. À utiliser uniquement avec les batteries Husqvarna de la gamme IS. Consulter le manuel d'instructions pour les renseignements sur les packs de batteries supplémentaires.

**ADVERTENCIA**  
 Lea y siga todas las precauciones de seguridad especificadas en el manual de instrucciones. El incumplimiento de estas instrucciones podría comportar lesiones personales de gravedad. El contacto con la punta podría provocar un movimiento repentino hacia arriba y hacia abajo de la espada, que podría causar graves lesiones personales. La máquina siempre debe manejarse con las dos manos. Utilice únicamente componentes de sustitución de la espada y la cadena idénticos a los originales y fabricados por Husqvarna. Solo para usar con baterías de la serie Husqvarna IS. Consulte el manual de instrucciones para obtener más información sobre los paquetes de baterías.
